Hand Sanitizer Stand

Rear 3448

Folding Hand Sanitizer Stand*

Portable Hand Sanitizer Stand

Stand-Alone Portable Hand Sanitizer Stand With Storage**

*Folding Hand Sanitizer (FHS) Station has dispenser at different height for adults and children.

Folding Hand Sanitizer can be 5 sided, square or round.

FHS has a detachable roof, a detachable floor and an internal plastic bag that is filled with water to hold the unit in place and provide stability.

Rear of Comfort Station can be used to mount – Hand Sanitizer – With Storage

Mounting on the rear wall will not significantly change the dimensions of the Comfort Station.

**Portable Hand Sanitizer has storage for multiple types of hand sanitizer refills such as pumice - hand lotion- perfume.

The storage bin can be for both the dispensers and refills – storage bin will be illuminated with LED lights – and can have Bluetooth speakers for messages and advertising.
